As of the date of this Schedule 13G, such limitation has been waived. The Reporting Person also disclaims any beneficial ownership of any of the 103,558 shares of Common Stock issuable upon the conversion of the outstanding principal of and accrued interest on two Series 2 Notes issued to Ana Parker, as such Notes cannot be converted until such time as the holder would not beneficially own, after such conversion, more than 4.99% of the outstanding shares of Common Stock; provided, however, that the holder may increase (up to 9.99%), or decrease, the preceding percentage limitation, provided that no increase will become effective until sixty-one (61) days after the holder's delivery of notice of such increase. As of the date of this Schedule 13G, no notice of any increase in the percentage ownership limitation described in the preceding sentence has been given.

The Reporting Person believes that the most recently reported figure for outstanding shares is contained in the Company's 10-K filed on December 28, 2022 and was 249,936,370 prior to the Split. In computing the ownership percentages set forth herein, the Reporting person has used the figure of 1,249,682 (one two hundredths of the most recently reported figure), although this figure is not believed to be exact.
