Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2013, Arch Therapeutics, Inc. (the “**Company**”) entered into (i) a Life Sciences Accelerator Funding Agreement with the Massachusetts Life Sciences Center (“**MLSC**” and such agreement, the “**MLSC Loan Agreement**”) pursuant to which MLSC has provided the Company an unsecured subordinated loan in principal amount of \$1,000,000 (such loan, the “**MLSC Loan**”); and (ii) a promissory note executed in favor of MLSC to evidence the indebtedness under the MLSC Loan (the “**Note**”). The MLSC Loan bore interest at a rate of 10% per annum, and was scheduled to become fully due and payable on the earlier of (i) September 30, 2018; (ii) the occurrence of a Default (as defined in the Note); or (iii) the completion of a sale of substantially all of our assets or a change-of-control transaction (a “**Qualified Sale**”), or one or more financing transactions in which we receive from third parties other than our then existing shareholders net proceeds of \$5,000,000 or more in a 12-month period (a “**Qualified Financing**”).

On September 28, 2016, the Company and MLSC entered into that certain Amendment Agreement to Arch Therapeutics, Inc. Accelerator Funding Agreement (the “**Amendment**”). Under the terms of the Amendment, (i) interest on the MLSC Loan will decrease from 10% per annum to 7% per annum beginning October 3, 2016; and (ii) the MLSC Loan will now become due and payable on the earlier of October 3, 2017 (the “**Maturity Date**”), the occurrence of a Corporate Event (which is defined as the occurrence of either a Qualified Sale or Qualified Financing), and the occurrence of a Default (as defined in the Note). In addition, under the terms of the Amendment, (a) beginning October 3, 2016, the Company will begin amortizing the principal and accrued interest under the MLSC Loan by making the first of 13 monthly payments of approximately \$106,022, with the last payment scheduled to occur on the Maturity Date; and (b) the term “**Qualified Financing**” is now defined to mean one or more financing transactions in which we receive, in a single transaction or series of transactions, cumulative net proceeds of not less than five million dollars (\$5,000,000) at any time after October 3, 2016. As a result of the Amendment, the Company expects to reduce interest expenses that would otherwise be incurred under the MLSC Loan Agreement by approximately \$232,000 due to the effect of the amortization payments and the lower 7% per annum interest rate.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the copy of the Amendment filed herewith as Exhibit 10.1 to this Current Report on Form 8-K (“**Form 8-K**”), which is incorporated herein by reference.
